

KENECT

YOUR CUSTOMERS WANT TO TEXT YOU. LET THEM.

TEXT FROM MOBILE OR DESKTOP

Text from your existing business phone line instead of giving out your personal cell phone number.

DOUBLE WEBSITE LEADS

Install the Kenect 'Text Us' widget on your website and see your leads double in volume.

VIDEO CHAT WITH CUSTOMERS

Show decorations, give live venue walk-throughs, or share your screen--all with a quick link via text.

PLAN EVENTS BY TEXT

Give event planning updates, coordinate details, schedule appointments, and save loads of time. The voicemail days are over.

COLLECT PAYMENTS VIA TEXT

Get paid faster by sending payment requests over text message. Customers can make a payment in 3 clicks.

ONLINE REVIEW GENERATION

Right now about 1% of your customers leave reviews. Let's increase that to 35% with Kenect.

“ An email might sit for a day or two before someone gets back to you, but with Kenect you get a quick response. That efficiency leads to more revenue. ”

- Mike S.
